The Association for Home & Hospice Care of North Carolina is proud to offer a series of DVDs to prepare your agency for the implementation of ICD-10 coding on October 1, 2014. The series will enable the learner to become familiar with the ICD-10 changes in an incremental fashion by focusing on 1-2 specific chapters on each DVD to learn the organization of the ICD-10 chapter(s), unique features of ICD-10 utilized in that chapter, chapter-specific guidelines, major changes from ICD-9 coding seen in that subject area, and highlight diagnoses more likely to be used in home health. These DVDs will benefit those individuals new to coding as well as seasoned coders.

Each DVD is \$119 and comes with the Power Point presentation and related handouts. There is no cost for shipping and handling. NC orders please include 6.75% sales tax.

Presenter: Judy Adams, RN, BSN, HCS-D, HCS-O, Adams Home Care Consulting, Inc. is a well-known health care consultant and speaker with over 30 years of healthcare experience and extensive experience in home care and home health management.
